SECRETARY'S REPORT

CASE NUMBER: BZA 14-94
OWNER/APPLICANT: Northwest Christian Church
AGENT: Chris Dieker
REQUEST: Exception to permit a preschool child care center.
CURRENT ZONING: "AA" One-Family Dwelling District.
SITE SIZE: 10 Acres
LOCATION: 1/4 mile west of Maize Road on the north side of 21st Street North (10850 W. 21st Street North)

JURISDICTION: The Board has jurisdiction to consider this request under the provisions outlined in Section 2.12.590.C, Code of the City of Wichita. The Board may grant the exception, provided the conditions set out in Section 28.04.185 (2) can be complied with.

BACKGROUND: The Northwest Christian Church currently has a church facility located on the side of 21st Street North, 1/4 mile west of Maize Road. They are requesting permission to operate a preschool/child care center within the church building. The preschool would be operated September thru May, five days per week for students 3-5 years of age. Four classes with a maximum of 12 students per class would be on the site at any given time. Classes would be conducted on a Monday, Wednesday, Friday or a Tuesday, Thursday schedule. A separate class will be conducted for students in the morning and afternoon for each day. Scheduled hours of the sessions will be 9:15 a.m. to 11:30 a.m., doors open at 9:00 a.m.; and 1:15 p.m. to 3:30 p.m., doors to open at 1:00 p.m.

The proposed classrooms to be used for the preschool activities have been inspected by the Health Department and Fire Department, and a list of necessary modifications have been provided to the applicant's agent. It was noted by the Health Department that no outdoor play space was available at the time of inspection and that if it was decided to incorporate outdoor play in the program the play space will need to be fenced. Also the space will need to be large enough to support half of the total number of children attending any given class. Required parking can be accommodated in the paved lot south of the building.

ADJACENT ZONING AND LAND USE:

NORTH: "R-1" - Cranmer Grass Farm
SOUTH: "AA" - Single Family Dwelling
EAST: "R-1" & "BB" - Cranmer Grass Farm and Landscape Contractor Office
WEST: "R-1" - Agricultural

RECOMMENDATION: Should the Board determine that a preschool/child care center is appropriate at this location, it is recommended that the exception be approved, subject to the following conditions:

1. The preschool/child care center shall comply with all applicable building codes of the City of Wichita and with all licensing requirements of the Wichita-Sedgwick County Health Department.
2. The maximum number of children to be accommodated at any one time shall not exceed the licensed capacity, as determined by the appropriate licensing agencies.
3. A fenced playground shall be provided as required by the Health Department licensing regulations. Outdoor play shall be limited to the hours between 7:30 a.m. and 6:30 p.m. when any part of the fenced play area is within 100 feet of any occupied residence.
4. On-site parking shall be provided for the preschool/child care center as required by City Code, which currently is one space for each teacher and employee, plus one space for each vehicle used in the operation of the center, plus one space for each ten children beyond the first twelve.
