**CASE NUMBER:** CON2006-48

**APPLICANT/AGENT:** Ron Smith (owner), Allen Wilkie (agent)

**REQUEST:** Conditional Use to permit a nightclub (rental facility for receptions and special events where music and drinks may be provided)

**CURRENT ZONING:** LC Limited Commercial

**SITE SIZE:** .49 acre

**LOCATION:** East of Broadway and north of Murdock (828 N. Broadway)

**PROPOSED USE:** Rental facility for receptions and special events where music and drinks may be provided

**BACKGROUND:** The application area is a former church building located east of Broadway and north of Murdock in "LC" Limited Commercial zoning. A business is using the former church building for weddings, receptions, and special events. The business desires to allow live music, dancing, and alcoholic drinks. Nightclubs are a permitted use in LC zoning. However, the site is within 200 feet of residential zoning, and therefore a Conditional Use for a Nightclub is required for the desired activities. The residential zoning near this site is "B" Multi-family Residential zoning located east of the site, across the alley, and used for hospital parking.

The applicant's floor plan demonstrates a 3,000 square-foot facility, and their site plan indicates 88 parking spaces on the site. The Unified Zoning Code would require 1 parking space per 45 square feet of public assembly for the proposed facility, or 67 total spaces, less than the 88 existing on the site. Surrounding properties include the hospital parking to the east, a fast food restaurant to the north, office space to the south, a tavern to the east, as well as an Inter-faith Ministries run group residence to the east.

**CASE HISTORY:** The Arlington Addition was recorded in 1911.

**ADJACENT ZONING AND LAND USE:**

NORTH:	LC Limited Commercial	Restaurant
SOUTH:	LC Limited Commercial	Office
EAST:	B Multi-family Residential	Hospital Parking
WEST:	LC Limited Commercial	Tavern, Group Residence

**PUBLIC SERVICES:** Broadway is a four-lane arterial street at this location with a 75-foot right-of-way.

**CONFORMANCE TO PLANS/POLICIES:** The *2030 Wichita Functional Land Use Guide* depicts this location as being appropriate for "local commercial," which contains concentrations of predominately commercial, office and personal service uses that do not have a significant regional market draw. The range of uses includes: medical or insurance offices, auto repair or service stations, grocery stores, florist shops, restaurants and personal service facilities. The Midtown Neighborhood Plan identifies this site as appropriate for institutional uses, consistent with the former church use of the site.

**RECOMMENDATION:** Based upon information available prior to the public hearings, planning staff recommends that the request be APPROVED, subject to the following conditions:

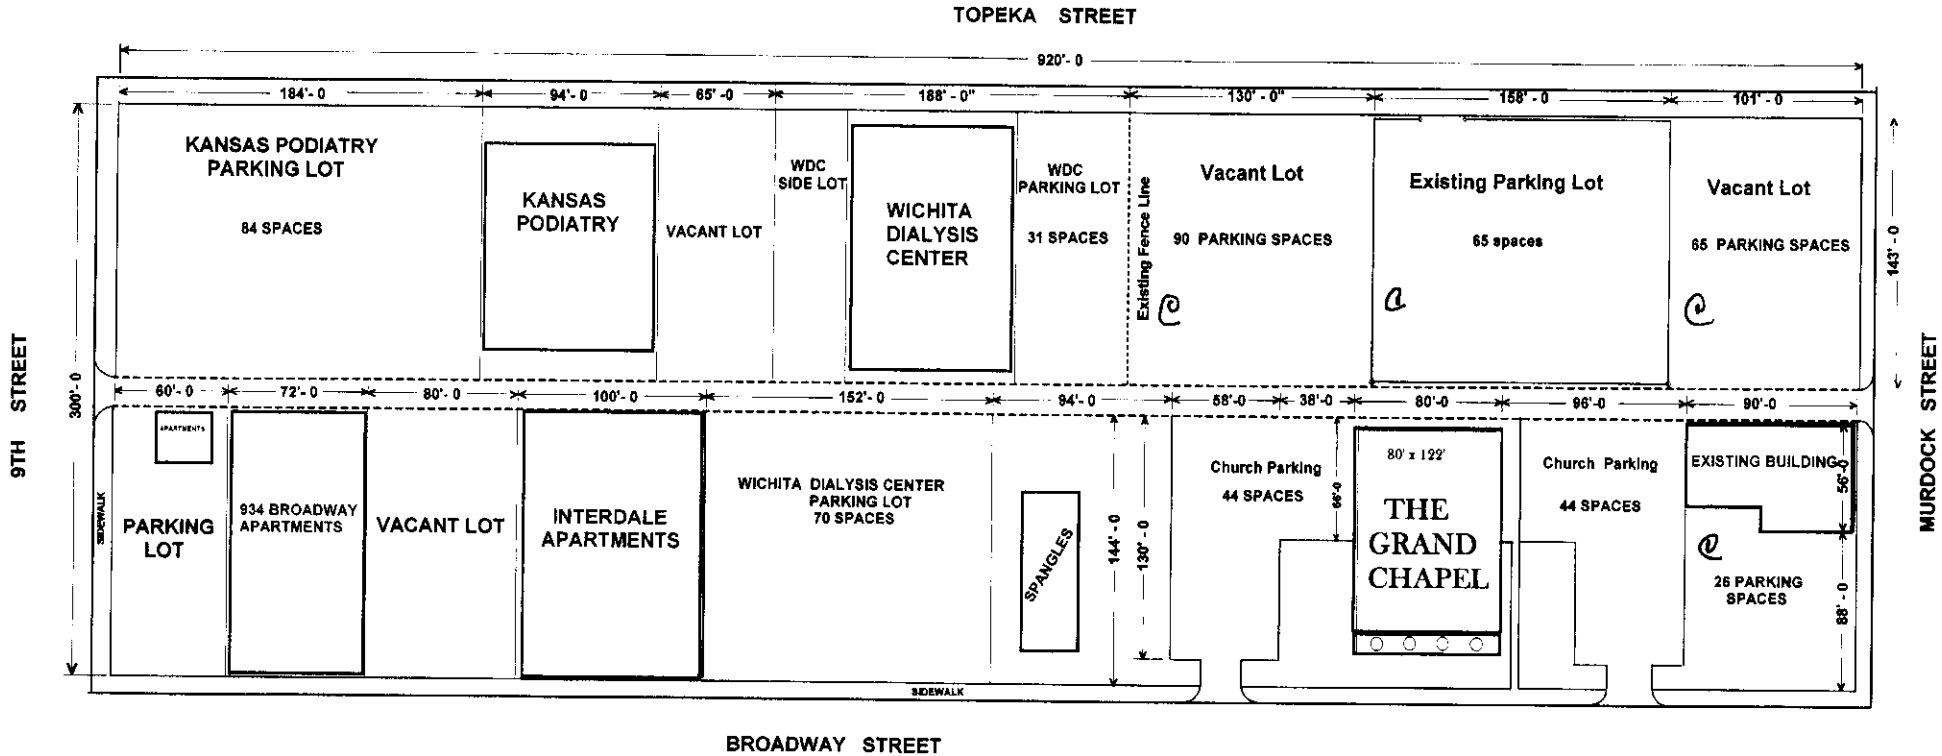

- A. The Nightclub Conditional Use shall be for rented special events only.
- B. The site shall be in conformance with the approved site plan.
- C. No outdoor entertainment, food or drink service, or community assembly shall be permitted on the site.
- D. The applicant shall obtain, maintain, and comply with all applicable permits and licenses necessary for the operation of a Nightclub.

C. > such as weddings, receptions,  
grad, etc. like,

- E. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII of the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

This recommendation is based on the following findings:

1. The zoning, uses and character of the neighborhood: The surrounding "LC" Limited Commercial zoning and land uses are not out of character with the proposed special events rental facility. The adjacent "B" Multi-family zoned property is used for a hospital parking lot, and will most likely never be developed with residential uses.
2. The suitability of the subject property for the uses to which it has been restricted: The site is zoned LC which allows a wide variety of retail, office and residential uses. The site could be used as zoned and developed or redeveloped as currently zoned.
3. Extent to which removal of the restrictions will detrimentally affect nearby property: Approval of the request will permit live music, dancing, and alcoholic drink service on the site. As the proposed use is for rented special events only, and no residential uses abut this site, the request should have no detrimental affect on nearby property. The site meets the code required parking standards, and should not affect adjacent business parking.
4. Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies: The *2030 Wichita Functional Land Use Guide* depicts this location as being appropriate for "local commercial," which contains concentrations of predominately commercial, office and personal service uses that do not have a significant regional market draw. The range of uses includes: medical or insurance offices, auto repair or service stations, grocery stores, florist shops, restaurants and personal service facilities. A rental special event facility would be in general conformance with the local commercial designation. The proposed facility is different than the Midtown Neighborhood plan designation of this site for institutional use, but the request does not otherwise conflict with that plan.
5. Impact of the proposed development on community facilities: None identified.
