|--------------------------------|--|
| <u>CASE NUMBER:</u> | CON2008-17 |
| <u>APPLICANT/AGENT:</u> | Jeffrey Lane (Owner), VA Credit Union (Applicant), Key Management & Plaza Real Estate Inc. (Agents) |
| <u>REQUEST:</u> | Conditional Use for a Bank or Financial Institution |
| <u>CURRENT ZONING:</u> | GO General Office |
| <u>SITE SIZE:</u> | .15-acres |
| <u>LOCATION:</u> | Generally located east of Oliver and south of Morris Street (804 South Oliver). |
| <u>PROPOSED USE:</u> | Credit Union |

BACKGROUND: The applicant seeks a Conditional Use to permit a Bank or Financial Institution (a credit union) in GO General Office (“GO”) zoning. The site is developed with a 1,612 square-foot office building, built in 1978. The site is currently used for mental health counseling. The site currently has seven parking spaces, two access points from Oliver, and a screening fence bordering residential property to the east. The applicant indicates that no changes will be made to the site.

North and east of the site are SF-5 Single-family Residential zoned residences. South of the site is an LC Limited Commercial (“LC”) zoned fraternal institution. West of the site, across Oliver, is an LC zoned convenience store.

CASE HISTORY: The site was platted as Lot 1 except the west 10 feet for street, Block D, Eastwood Village Addition in 1948.

ADJACENT ZONING AND LAND USE:

| | | |
|--------|------|---------------------------|
| NORTH: | SF-5 | Single-family residential |
| SOUTH: | LC | Fraternal institution |
| EAST: | SF-5 | Single-family residential |
| WEST: | LC | Convenience store |

PUBLIC SERVICES: The site has access to Oliver, a paved four-lane arterial with a 50-foot half-width right of way at this location. This portion of Oliver is currently under an improvement project. All other municipal services are available at the site.

CONFORMANCE TO PLANS/POLICIES: The Wichita-Sedgwick County Unified Zoning Code (UZC) Land Use Guide identifies the site as appropriate for Urban Residential. However, the site abuts an area along Oliver identified as appropriate for Local Commercial. The Unified Zoning Code requires a Conditional Use for Banks or Financial Institutions in GO zoning.

RECOMMENDATION: This is a small site, with a small building and limited parking. The site does however meet the UZC parking requirement of one space per 250 square feet of office space. The limited size of the credit union based on the size of the building and the one organization (the VA Hospital) that it supports should minimize customer traffic. The site size will not accommodate any future expansion. The two access point configuration could be improved with signage designating the parking entrance and exit. The proposed use may however generate less traffic than those uses permitted by right in GO zoning.

Based upon information available prior to the public hearings, planning staff recommends that the request be APPROVED, subject to the following conditions:

1. The applicants shall obtain all applicable permits including, but not limited to: building, health and zoning.
2. The site shall be developed in conformance with the approved site plan.
3. The applicant shall post an “ENTER ONLY” sign at the south entrance, and an “EXIT ONLY” sign at the northern drive. These signs shall not exceed six square

feet in size.

4. No signs shall be permitted on the north side of the building.
5. If operations have not begun within one year of approval, or if the Zoning Administrator finds that there is a violation of any of the conditions of this Conditional Use, the Zoning Administrator may, with the concurrence of the Planning Director, declare the Conditional Use null and void.

This recommendation is based on the following findings:

1. **The zoning, uses and character of the neighborhood:** North and east of the site are SF-5 Single-family Residential zoned residences. South of the site is an LC Limited Commercial ("LC") zoned fraternal institution. West of the site, across Oliver, is an LC zoned convenience store.
2. **The suitability of the subject property for the uses to which it has been restricted:** The site is zoned GO, which permits general office uses. The site could continue to be used without the Conditional Use.
3. **Extent to which removal of the restrictions will detrimentally affect nearby property:** The requested Conditional Use could subject this portion of Oliver and the abutting neighborhood to increased traffic and activity. The proposed use may however generate less traffic than those uses permitted by right in GO zoning.
4. **Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies:** The Wichita-Sedgwick County Unified Zoning Code (UZO) Land Use Guide identifies the site as appropriate for Urban Residential. However, the site abuts an area along Oliver identified as appropriate for Local Commercial. The Unified Zoning Code requires a Conditional Use for Banks or Financial Institutions in GO zoning.
5. **Impact of the proposed development on community facilities:** The requested Conditional Use could subject this portion of Oliver to increased traffic. The proposed entry and exit sign should improve traffic safety at the site.
