GENERAL NOTES

The Contractor shall be responsible for preserving property
irons. The Contractor will be required to re-establish any
property irons which are damaged or destroyed by his construction
operations. Such irons shall be re-established by a licensed
land surveyor or a licensed professional engineer in accordance
with state laws.

The Contractor is to contact property owners 48 hours prior to
beginning construction of the alley.

The Contractor shall properly barricade the alley in each
direction during the construction period.

The Contractor is to contact utility companies to verify
underground locations prior to construction of the alley.
