

MASTER PLAN

FOR THE IMPROVEMENT OF A PORTION OF THE
 BANK OF THE ARKANSAS RIVER · WICHITA, KANSAS
 PREPARED FOR THE BOARD OF PARK COMMISSIONERS · WICHITA, KANSAS
 HARE & HARE · LANDSCAPE ARCHITECTS · KANSAS CITY, MISSOURI

NOTE:
 --- Existing Water Lines
 --- Proposed Reservoir

In area where Island is proposed, the Water Dept has large supply lines crossing area now and are proposing for future expansion 2 - 2.5 m.g. Reservoirs in the area. The Water Dept has limited space for expansion in the area and are not at all receptive to giving up any of their present capacity - (J. Winkler & B. H. Oltman 1-7-49)
