

B.M. 117.41 "X" cut top S.E. wing wall
E. end canal bridge on 10th Street.

B.M. 112.32 "G" in Globe W. end radius
@ S.W. corner 10th & Hydraulic.

NOTE:

Remove sidewalk on north side from end
of bridge to Sta. 2+48 and Construct 4 ft.
sidewalk on property line to elevations shown.
Clear right-of-way, grade parkings & compact fill
for proposed sidewalk. Proposed sidewalk to be
constructed by others.

Adjust existing 2'x5' inlets
to match curb grade.
