

The drawing consists of two main parts: a 'TYPICAL SECTION' at the top and a 'STEEL PATTERN' below it.

TYPICAL SECTION:

- Scale: 1" = 2'-0"
- Shows a cross-section of the bridge deck with layers: Non-Standard Combined Ch. 1st, 2" Asphaltic Concrete, and 6" Concrete - 5 inch base.
- Labels include 'Mastic Key Joint', 'Back Edge of Deck', and 'Front Edge of Deck'.
- Dimensions shown include 19'-0", 38'-0", and various smaller dimensions for reinforcement bars.

STEEL PATTERN:

- Scale: 1" = 2'-0"
- Shows a plan view of the steel reinforcement grid.
- Labels include 'Mastic Key Joint', 'High Edge of Ch. 1st', and 'Low Edge of Deck'.
- Notes state: "NOTE: Use 3/4" bar except where noted."
- Reinforcement details are specified as 30 x 1/2 bars 2'-6" c/c, 3/4 bars 2'-6" long 9' c/c, and 3/4 bars 2'-6" long 9' c/c.

There are several circular stamps on the right side of the drawing, including one from the University of Illinois at Chicago dated 1961.
