GENERAL NOTES

1. Contractor shall contact the following before any excavation:

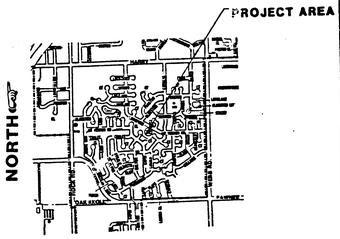

Kansas One-Call	1-800-344-7233

The Contractor must notify the following in case of an emergency:

Cable vision	262-4270 or 263-2061
K.P.& L. Gas Service Company	263-7811
Kansas Gas & Electric	264-1141
Arkla Gas Company	942-8350 or 263-8161
Southwest Bell Telephone Company	1-571-2611
City of Wichita Water Department	268-4908
City of Wichita Sewer Maintenance	268-4071

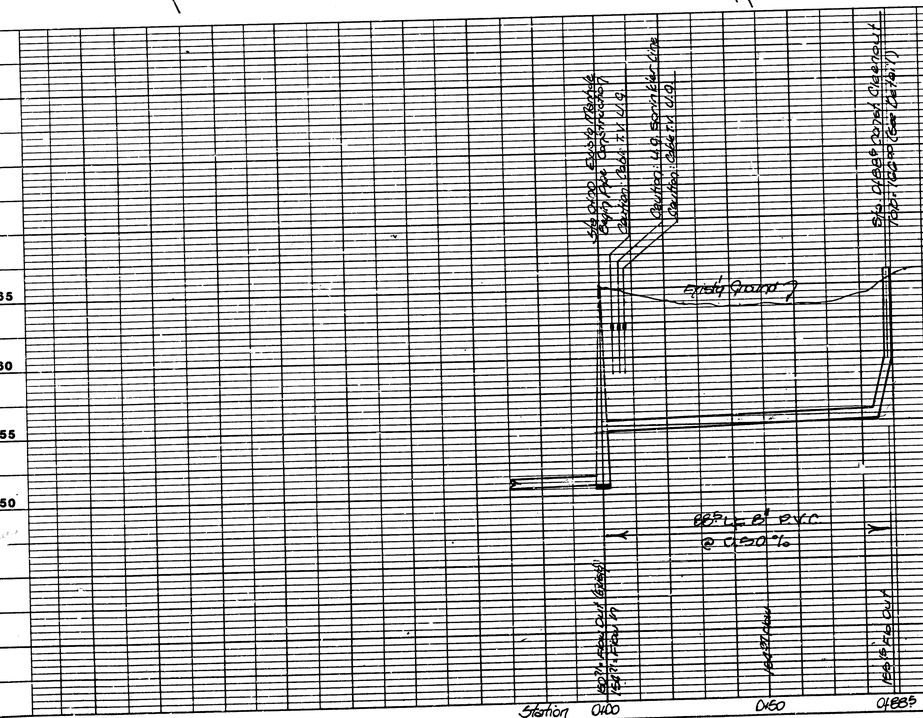

2. Underground utility service lines and overhead utility pole lines are to be adjusted as necessary by others prior to construction unless the plans specifically call for their adjustment by the Contractor. Existing utilities and their location, as shown on the plans, represent the best information obtainable for design. The Contractor will be required to work around existing utilities within the right-of-way which do not conflict with proposed construction.

3. The Contractor shall be responsible for preserving property irons. The Contractor will be required to re-establish any property irons which are damaged or destroyed by his construction operations. Such irons shall be re-established by a licensed land surveyor or a licensed professional engineer in accordance with state laws.
