| | | | | | 900-07 Poured-In-Place Fume (36') | 1,194 | LF |
| | | | | | Street Lighting System | 1 | LS |

NOTES:
 The bid tab used for bidding the project shows only one line item for each bid item. The DUAL/CATE BID ITEMS table groups identical bid items from different discipline and plan sets. Items listed in this table are to coordinate between the two and for information only.

Payment for embankment shall be based on plan quantities. Embankment plan quantities were calculated excluding all material within the limits of 0.8 times the wall height as shown in the plans. The volume of material within the limits of 0.8 times the wall height as shown in the plans was calculated to be 320,735 cubic yards, and shall be included in the price bid for "Retaining Walls (Doublewall), Evergreen) or (T-Wall)) and "Temporary MSE Retaining Walls."
