

MH 5847-323
Approx MH depth = 12.8 ft

MH 5847-322
227 N. Old Manor
Approx MH depth = 21.8 ft

The yard of 255 Old Manor was recently leveled after owner replaced a portion of his service line. Grading shall be restored to existing condition.

Point Repair: Remove and replace approx 6 lf of 8" pipe, from 76 ft to 82 ft south of MH 5847-323, including the 4" tap reconnections for 256 N. Pinecrest and 255 N. Old Manor (see tv log) (the repair for 255 N. Old Manor shall include removing and replacing approx 10 lf of cast iron service line, from the main to existing PVC service)

Point Repair: Remove and replace approx 3 lf of 8" pipe, from 223 ft to 226 ft south of MH 5847-323, including the 4" tap reconnection for 240 N. Pinecrest (see tv log)

The sewer main lies on the Old Manor side of the properties.

Estimated 60 lf of Silt Fence

 PVC service line, looks like no saddle, sits crooked, small chunk of pipe missing at the wye, letting sewage leak out
 6 78.0 255 N OLD MANOR Break-In Conn 3
 Cast iron service has roots around the tap. Besides the new tap on the main, Contractor will need to remove and replace 10 feet of 4" cast iron service pipe to connect to existing PVC service line in yard.

The owners of 255 Old Manor and 356 Pinecrest are aware of the upcoming tap replacements. It is the contractor's responsibility to make arrangements for access.
