

NW of Meridian and MacArthur - 3945 S Meridian Ave

Attachment A - 472-85156 Bench and Shelter Installation, West Side Service, Wichita, KS

At the time of producing this document, the land to the west was being developed; therefore, the depicted bus stop location is merely a general notation. The Contractor shall coordinate with the Engineer to determine the most suitable location to install a pad and bench. Refer to relevant details and General Notes. Bolt locations to anchor the bench are to avoid cracks and joints in the pad.

- 1-ft Contours (NAVD88)

Joints and joint type in the pad shall match the sidewalk and be continued through the pad.

The Contractor shall pick up and install a bench. Coordinate said activity as necessary with Philip Zevenbergen (phone: 316-352-4816, email: pzevenbergen). Work shall be performed per City details, the manufacturer's specifications, to City standards, or as directed by the Engineer or Zevenbergen.
