Earthwork Balance
Common Excavation 14,691 C.Y.
Compacted Fill 7,714 C.Y.
Loose Fill 34,808 C.Y.
Contractor Furnished Borrow 29,374 C.Y.

Note: Loose Fill has been adjusted by planimetric means to account for computational error associated with small radius curvature. This adjustment reduced the quantity computed from cross sections by 3490 C.Y.

Totals
C=350 C.Y.
F=359 C.Y.
CF=0 C.Y.
