

This technical drawing illustrates a sewerage system layout. It features several main lines of different diameters, indicated by labels such as 950 mm x 600 mm HERCP, 750 mm x 475 mm HERCP, 575 mm x 350 mm HERCP, 1 125 mm x 725 mm HERCP, 850 mm x 550 mm HERCP, and 750 mm x 475 mm HERCP. The system includes manholes labeled H, J, K, and L, with specific chainage points like 10+400 and 10+500. A 'Foot Bridge' is shown crossing one of the lines. A 'Covington Circle' is also depicted. The drawing is bounded by 'Match Line' indicators on both ends. Arrows indicate the direction of flow within the system.
