HILLSIDE STREET
SANITARY SEWER
LINE 1, LINE 2, AND LINE 3
PROJECT NO. 472-83537

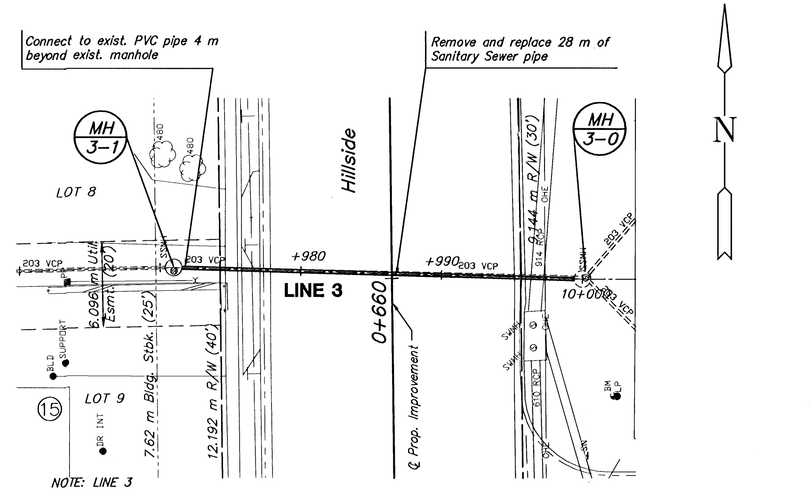

** SBC lines and cabinet will be installed prior to sanitary sewer construction. Contact SBC for cable alignment and cabinet location.

PLAN - LINE 1

** SBC cable lines will be installed prior to sanitary sewer construction. Contact SBC for cable alignment.

PLAN - LINE 2

NOTE: LINE 3

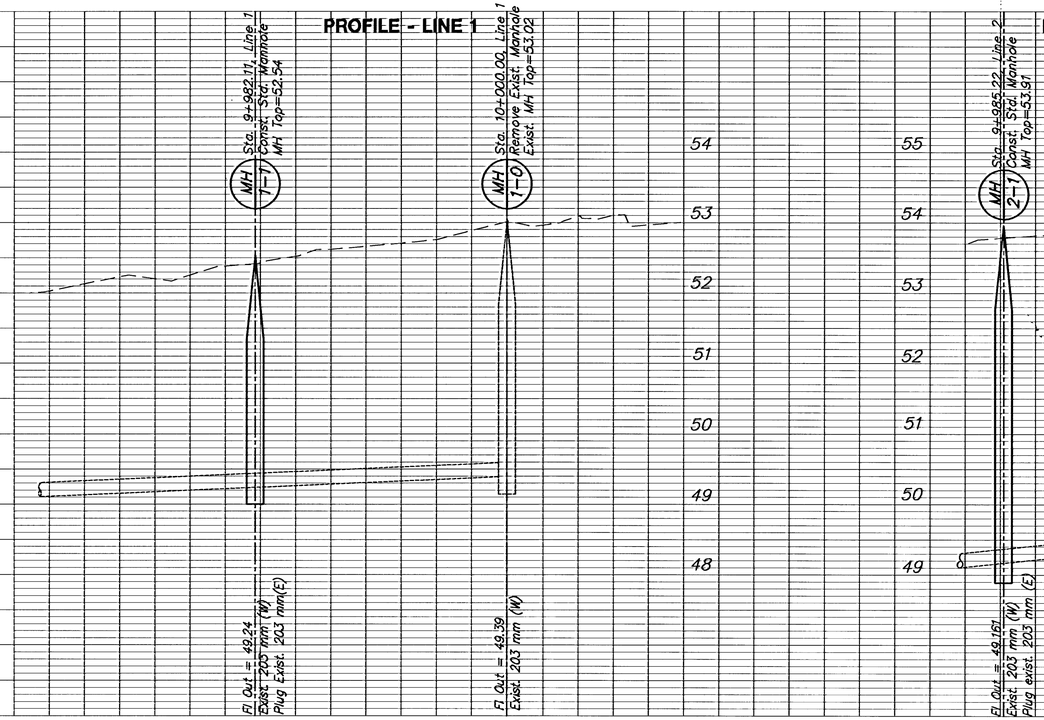

1. Trenchless replacement may be performed in place of open trench construction.
2. Maintain 2–way traffic on Hillside through construction. Construction should be sequenced in two phases starting with the downstream portion. Refer to Sheet No.55 for typical traffic control.

SCALE: 1:200

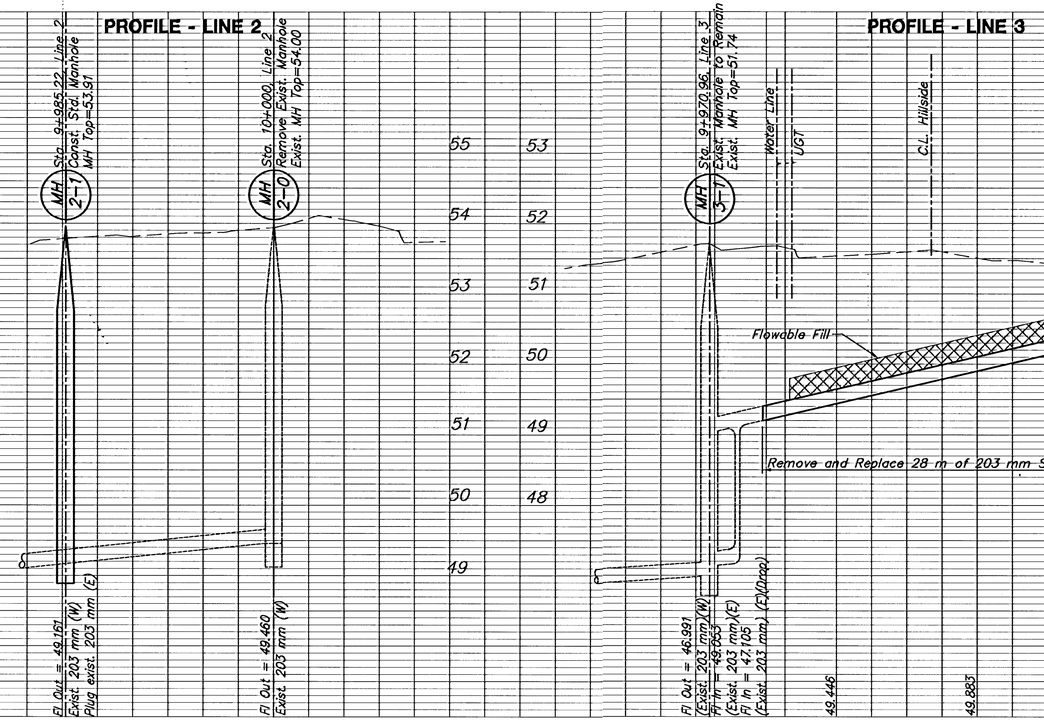

0 5 10
