GENERAL NOTES:

Refer to Std. TE710SI for identification of signs for handling traffic through construction.

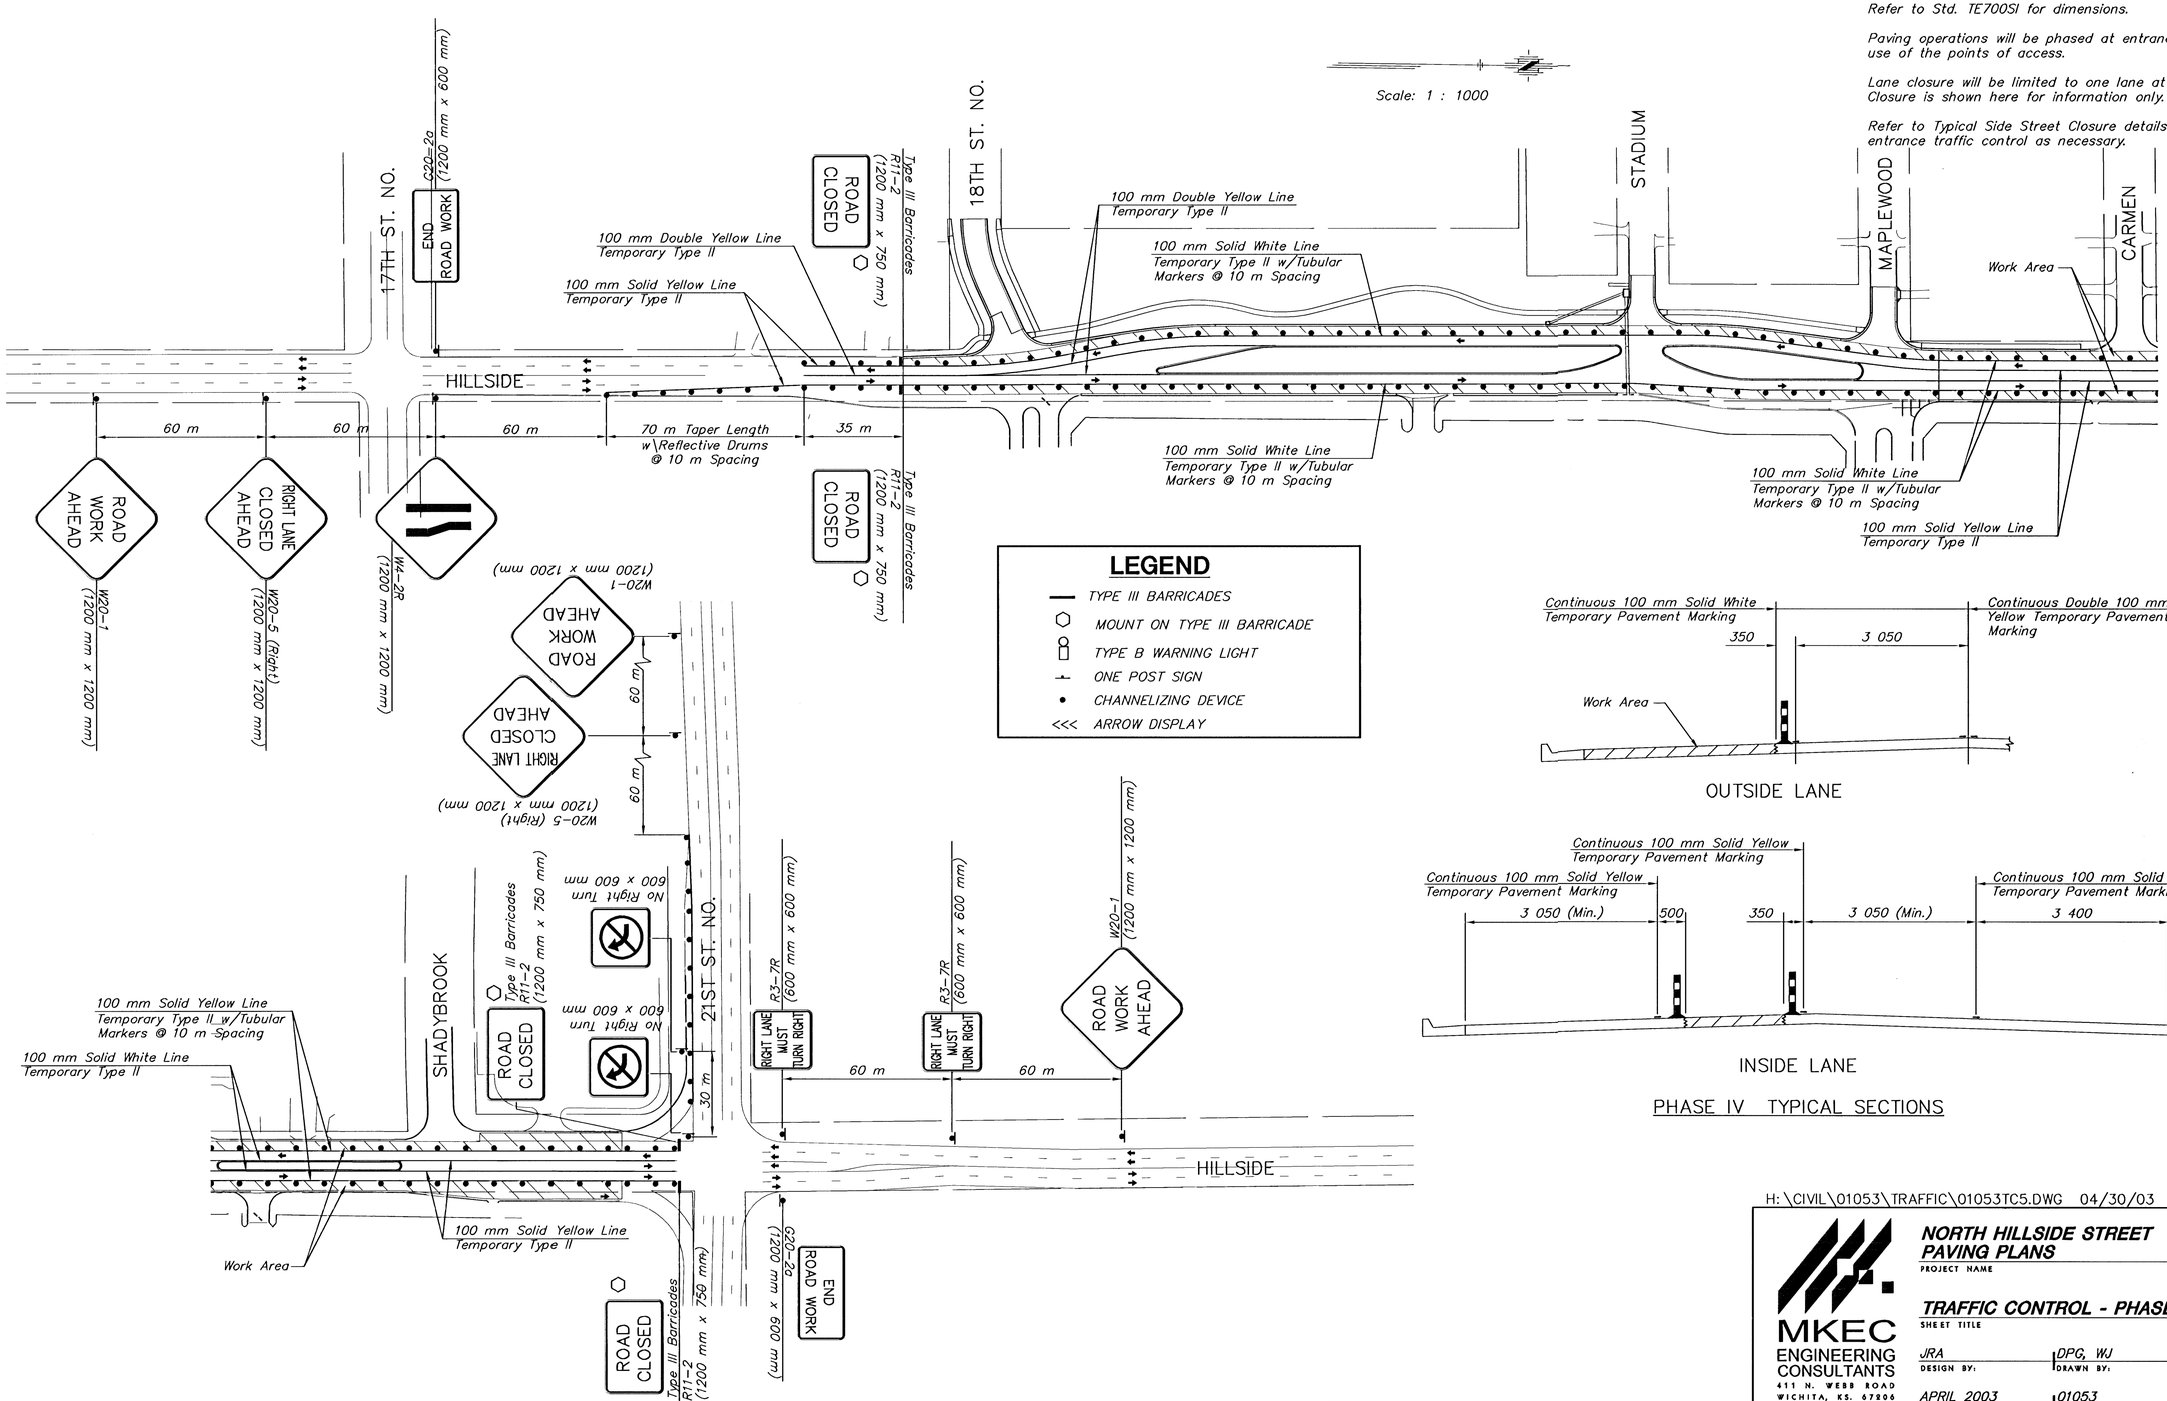

Refer to Std. TE700SI for dimensions.

Paving operations will be phased at entrances to allow continued use of the points of access.

Lane closure will be limited to one lane at a time. Multiple Closure is shown here for information only.

Refer to Typical Side Street Closure details for side street and entrance traffic control as necessary.

Scale: 1 : 1000
