

The drawing shows a vertical shaft with several horizontal cross-sections. The top section has a diameter of 1290 mm. Below it, there's a section with a diameter of 1300 mm. Further down, another section has a diameter of 1290 mm. A dashed line indicates a break in the middle of the shaft. Below the break, there's a section with a diameter of 1280 mm. At the bottom, there's a section with a diameter of 1275 mm. A dimension of 50 mm is shown for one of the sections.
