

## Narrative

To: Steve Shank, Water's Edge Aquatic Design  
From: Cam Weekly, Hoss & Brown Engineers  
Project: 1820529 – Harrison Sprayground, Wichita, KS.  
Date: November 9, 2021

---

### **TO ALL BIDDERS:**

The following are changes to the previously issued plans and/or specifications and supersedes information previously included in the contract documents.

### **Drawings:**

1. Sheet SP-ME2 – MEP SITE PLAN
  - a. MEP Site Plan updated to show estimated routing of transformer secondary feeder.
  - b. Electrical Plan Notes updated to clarify transformer secondary feeder and trenching scope.
  
2. Sheet SP-E3 – ELECTRICAL DETAILS AND RISER DIAGRAM
  - a. Feeder Schedule updated to clarify Utility feeder sizing. Contractor shall confirm conduit requirements with Utility prior to installation.
