- TEMPORARY DITCH

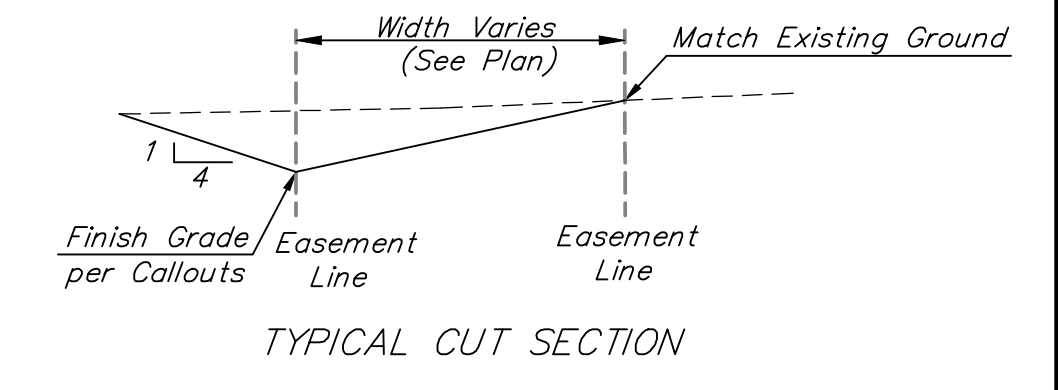

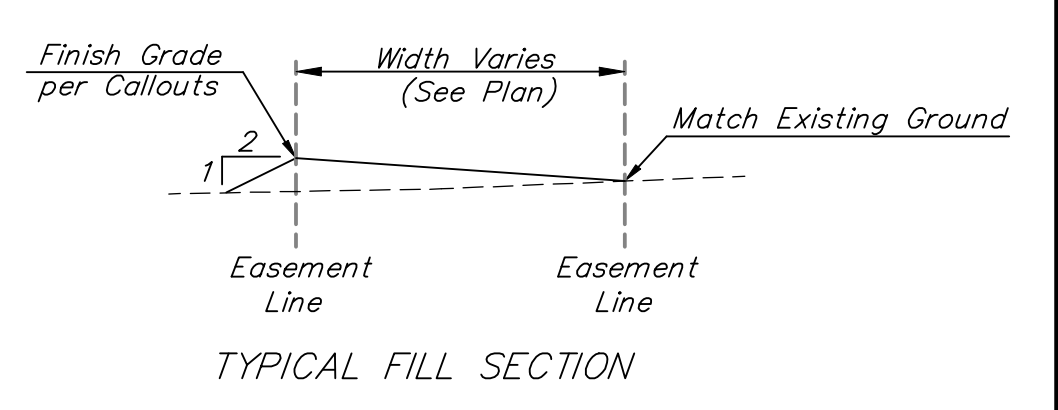

NO SCALE

Scale: 1" = 60'

All easements have been graded prior to construction with the mass grading plan, however, all easements shall be fine as indicated with this project after street & sws construction has been completed. All cost associated with the fine grading shall be included in the lump sum bid item "Easement Grading".

SECTION A-A

SECTION B-B

= Easements To Be Graded

The contractor shall grade the easements as shown to the elevations given on the easement grading plan. All costs for grading shall be incidental to the Easement Grading Bid Item.

The contractor shall 'straight' grade the easements between the elevations given. Where a callout designates 'Match', the contractor will grade to the existing ground elevation.

— 1370 — Existing Grade
