Re: S/D 80-21 - Final plat of Bill Bailey Addition

Gentlemen:

At the regular meeting of the Subdivision Committee of the Metropolitan Area Planning Commission, April 3, 1980, the above captioned plat was considered. The action of the Committee was to recommend that this plat be approved, subject to:

- A. The applicant shall contact the Environmental Health Division of the Health Department to find out what tests may be necessary and what standards are to be met for approval of on-site sewerage facilities (and water wells). A memorandum shall be obtained specifying approval.
- B. Recording of the plat within 30 days after approval by the Board of City Commissioners.

The enclosed "marked" copy of the final plat is for your information and files.

This matter will be forwarded to the Planning Commission for its consideration on Thursday, April 10, 1980, at 1:30 p.m. If you should have any questions concerning this matter, please call.

Sincerely,

Forrest L. Nagley
Forrest L. Nagley
