455 North Main Street  
Wichita, Kansas

Re: D-89C - Floyd Bailey Addition Drainage Project

Dear Mr. Lakin:

We own property located in Carriage House Plaza Second Addition. The property cannot be developed and streets paved until the above referenced drainage project is constructed.

We request that this project be scheduled in the Capital Improvement program at the earliest possible date so that we may proceed with the development of our property.

Yours truly,

*Bud White*
