Re: S/D 85-23 - Final Plat of de Paul Addition

Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on September 5, 1985, the above-captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of August 30, 1985.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the Board of City Commissioners for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the platlor.
3. Certification that all real estate taxes for the first half of 1985 and all prior years have been paid.

Please call if you have any questions.

Very truly yours,

BRB
