Re: S/D 74-28 - Final Plat  
of FARMINGTON SQUARE

Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on August 8, 1974, the above-captioned plat was considered. The action of the Commission was to recommend that the plat be approved as recommended by the Subdivision Committee, subject to the conditions stated in our letter of August 2, 1974.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the Board of City Commissioners for consideration:

1. Compliance with the requirements of the Metropolitan Area Planning Commission.
2. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
3. Certification by an attorney that fee title is vested in the platlor.
4. Certification that all taxes due and payable for 1973 and prior years have been paid.

If you have any questions concerning this matter, please call.

Sincerely,

  
Jack H. Galbraith  
Chief Planner
