WICHITA-SEDGWICK COUNTY  
METROPOLITAN AREA PLANNING DEPARTMENT

DATE: May 6, 1986

TO: Mike Lindebak, City Engineer & Interim Director of Planning  
Bill McKinley, City Traffic Engineer

FROM: Louise Olivarez, Senior Planner, Current Plans

SUBJECT: DP-95, Amendment #1 (Fantasea C.U.P.)

Attached is a print of proposed amendments to the Fantasea C.U.P. The amendments affect only existing Parcel B which is to become Parcels B and C. In addition to the duplexes and townhouses now permitted, a child care center is proposed for the new Parcel B. This use would be subject to BZA approval. A total of four curb cuts to 32nd Street is proposed rather than the two previously approved.

This amendment will be advertised for public hearing within the next two weeks, so I would appreciate any comments you may have at your earliest convenience.
