THE CITY OF WICHITA

OFFICE OF PUBLIC WORKS ENGINEERING

DATE April 9, 1980

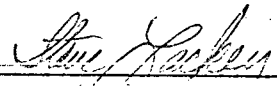

TO Jack Galbraith, Chief Planner

FROM Steve Lackey, Design Chief Engineer

SUBJECT Drainage Plan:  
Graham-Casado Addition

Baughman Company has submitted the Lot Grading/Drainage Plan for the subject plat. The lot will be graded to drain north and then across Kellogg Drive to the ditch between the Drive and Kellogg Avenue. The lot shall drain via approved drives or flumes, as stated on the plans.

I trust this is sufficient information to approve the plat. Please feel free to call me at 268-4440 if you need additional information.
