DECLARATION OF RESTRICTIVE COVENANTS

THIS DECLARATION, made this 21<sup>st</sup> day of Oct., 1981 by TAMARAC DEVELOPMENT COMPANY, INC., hereinafter referred to as "Tamarac", who is the present record titleholder of certain real property situated in Sedgwick County, Kansas, more particularly described in Exhibit "A" attached hereto and I-135-Turnpike Business Park, Inc., hereinafter referred to as "Business Park", who is the present record titleholder of certain real property situated in Sedgwick County, Kansas, more particularly described in Exhibit "B" attached hereto. Tamarac and Business Park shall hereinafter be referred to collectively as Declarants.

WHEREAS, the drainage from the land owned by Declarants drains into a drainage pond designated as Flood Detention Reservoir No. 13, hereinafter referred to as "Reservoir";

WHEREAS, the Declarants wish to provide for the maintenance of said Reservoir and the allocation of the costs of said maintenance to the owners of said land; and

WHEREAS, Declarants are desirous of subjecting the real property owned by them to the covenants hereinafter set forth, which shall inure to the benefit of and pass with said property, and shall apply to and bind all successors in interest.

NOW, THEREFORE, the Declarants hereby declare that the real property owned by Declarants shall be held, transferred, sold, conveyed and occupied subject to the covenants hereinafter set forth:

1. Declarants, their successors and assigns, shall be responsible for the operation, maintenance and upkeep of the Reservoir and all drainage improvements constructed thereon on the following basis:

A. Tamarac, or any homeowner's association which succeeds to Tamarac's interest, shall be responsible for forty percent (40%) of all costs incurred to operate and maintain said reservoir.

B. Business Park shall be responsible for sixty percent (60%) of all costs incurred to operate and maintain said reservoir. Such costs are to be allocated among the individual lot owners on the following basis:

i. Each owner of Lots 2-4, Block 1, and Lots 3-16, Block 2, shall be responsible for 0.033% of the total costs incurred;
