REMARKS I have reviewed with McKinley. He will get a letter from the owner. The 40' drive that exists would be allowed but they would be required to agree to no additional

Bob
L. Olmeyer,

Please check CUP
I see if Mac approves
any or all of "median"
laydowns, if it will
violate or conflict
w/ CUP requirements

No. CUP does not
require this major ~~change~~
See copy of notes from the file.
J.O.

McKinley

- no CUP requirement. See notes.
- Request should be from owner not broker.
- If median is removed are we going to allow 40' drive? Check w/mike.
- If you allow median break on drive, you should assume the continued medial barrier to parking lot w/c at existing entrance.
