SUBJECT DP-42 - WILLO-ESQUE Residential C.U.P. Generally located north of Maple and east of Ridge Road.

We have received a proposed amendment to the above referenced C.U.P. The amendment proposes to delete one parcel by the extension of Parcel 4 to the eastern boundary of the C.U.P. This allows duplexes to be constructed in the northeast area of the C.U.P. instead of single family.

We would appreciate receiving any comments you might have regarding the proposed amendment by Wednesday, December 16, 1981. If you have any questions, please call.
