North Line 30 feet
- (I) Parking Ratio as per Zoning Ordinance
- (J) Proposed Uses: Residential Storage Warehouses, (subject to BZA approval), Retail Uses, Theatre, Restaurant, Offices, Private Club, Bowling Alley, Skating Rink.

- GENERAL PROVISIONS**
- Total Net Land Area 1,397,845 Sq. Ft. or 32.09 Acres
 - Signs as permitted by zoning ordinance.
 - A planting strip no less than 10 feet in width as indicated, over the south 10 feet of the east 30 feet of Parcel 1 and the south 10 feet and the east 10 feet of Parcel 4. A landscape plan prepared by a landscape architect for the planting strip, indicating the type location and specification of plant material and method of providing water to the plant material, shall be submitted to the planning department for their review and approval prior to the issuance of building permits for Parcels 1 and 4. A financial guarantee for the plant materials approved in the landscape plan shall be required prior to the issuance of any occupancy permit if the required landscaping has not been planted.
 - Six street trees, approved by the City Forester and the Department of Planning, shall be planted prior to occupancy of any building in Parcel 2. A planting strip no less than 10 feet in width, as indicated, over the west 10 feet of the north 100 feet of Parcel 2 is requested to be waived until such time as residential development occurs on the west side of Tyler opposite to said planting strip. A landscape plan prepared by a landscape architect for the planting strip, indicating the type location and specification of plant material and method of providing water to the plant material, shall be submitted to the planning department for their review and approval prior to the issuance of any building permits for Parcel 2.
 - A 5 to 8 foot high solid or semi-solid wall of brick, stone, masonry, architectural stone or similar materials, shall be constructed along the north line of Parcels 1, 2, and 6. Such wall will be reduced to 3 feet in height within 35 feet of Tyler Road. Construction of said wall shall be completed as follows:
 - With respect to Parcel 2, said wall shall be completed along the north line of Parcel 2 only, prior to a final certificate of occupancy for any new building within Parcel 2.
 - With respect to Parcel 1, the construction of said wall shall be completed as follows:
 - Along the north line of Parcels 1, 2, and 6, prior to a final certificate of occupancy for any new building or expansion being placed within the east 500 feet of Parcel 1.
 - Along the north line of Parcel 2 and 1, only to a point immediately adjacent to the north line of Parcel 6 in either of the following events:
 - Prior to the final certificate of occupancy for any new building along the northern boundary of Parcel 1.
 - Prior to the final certificate of occupancy for any new building or the expansion of more than 10,000 square feet of existing buildings in any other area of Parcel 1 except the east 500 feet, which event has been provided for the above.
 - If Parcel 6 is developed for residential warehouse storage, a 25 foot landscaped yard shall be provided along the north property line with the 5 to 8 foot wall constructed along the south side of said landscaped yard.
 - Access Controls shall be as follows:
 - 6 points of access to Tyler Road
One of which shall be constructed to major entrance standards on Parcel 1.
 - 10 points of access to Central Avenue
Two of which shall be constructed to major entrance standard on Parcel 1.
The east major opening shall be guaranteed at the time of replatting.
 - Minimum building setbacks shall be as indicated on the plan. In the event that Parcels are developed under the same ownership, the setback between Parcels will not be required.
 - Appropriate fire lane easements for Parcels 1, 2, 3, 4, and 6 shall be considered at the time of platting and specifically defined prior to the issuance of building permits. Said fire lanes shall be hard surfaced, and twenty-four (24) feet minimum in width, and constructed with a 3/4 inch asphalt base with 1-1/4 inch asphalt surface, or the equivalent thereof. No parking shall be allowed in said fire lane, although it may be used for passenger loading and unloading.
 - Utilities shall be installed underground on all Parcels.
 - Drainage shall be handled at the time of replatting.
 - Right of way for the deceleration lane on Central Avenue and the acceleration lane of Tyler Road shall be as follows:
 - The west 10 feet of the south 125 feet and the south 10 feet of the west 165 feet of Parcel 3 will be dedicated at the time of replatting.
 - The east 15 feet of the west 25 feet of the south 125 feet and the north 15 feet of the south 25 feet of the west 165 feet of Parcel 3 shall be a contingent dedication at the time of replatting.
 - Right of way for the deceleration lane on Central Avenue over the east 150 feet of Parcel 3 shall be a contingent dedication until the present lease's lease expires in 1991. At that time, the right of way shall become a contingent dedication until required by the City of Wichita, for the construction of the deceleration lane.
 - The construction of the deceleration and acceleration lanes along Central Avenue and along Tyler Road from Central Avenue north to the major entrance on Tyler Road, along with the major entrance and accompanying easements on Central Avenue shall be guaranteed at the time of platting.
 - The transfer of title of all or any portion of the land included within the Community Unit Plan for any amendments thereto does not constitute a termination of the plan or any portion thereof, but said plan shall run with the land and be binding upon present owners, their successors and assigns.

COMMUNITY UNIT PLAN FOR TYLER ACRES
