TO Mike Lindebak, City Engineer  
 Bill McKinley, Traffic Engineer  
 Robert Feldner, Superintendent of Central Inspection

FROM Arthur D. Chambers, Senior Planner

SUBJECT DP-9 Westlink Center Commercial C.U.P. - Generally Located  
 at the Southwest Corner of Central and Tyler Road

Attached is a copy of a proposed amendment to the above captioned C.U.P. The amendment would include the unplatted piece of property on the corner of the intersection in the C.U.P. as Parcel 1A. The existing building is to be removed and a financial institution constructed. There are no other changes to the balance of the C.U.P.

We would appreciate receiving any comments you might have by Tuesday, September 6, 1983. If you have any questions, please call.
