Re. Authorization to Enter Reserve A, Waterford North III Addition for Drainage Maintenance

North Point Senior Living, LLC:

This is written to authorize employees or one or more contractors under your employ to enter into Reserve A, Waterford North III Addition for the purpose of maintenance and cleaning the existing drainage way that conveys runoff water from the proposed North Pointe Senior Living Addition through Reserve A and into Reserve D of the Pepperwood Village Addition. Any damage done to existing structure or violation of any local/state/federal statutes stemming from the work will be the responsibility of the group doing the work or authorizing the work to be done.

Sincerely,

Sycamore Village Homeowner's Association
