necessary for the City of Wichita to redesign, repair or reconstruct the improvement after its initial design and/or construction because the design or construction does not meet the requirements of the City, then such costs associated with the redesign, repair or reconstruction of said improvement shall be assessed to the property described above in accordance with the terms of this petition.

2. (a) It is requested that the improvement hereby petitioned be made without notice and hearing, which, but for this request, would be required by K.S.A. 12-6a04. This petition may be combined with other petitions of similar nature in order to form one public improvement project.

3. That names may not be withdrawn from this petition by the signers thereof after the Governing Body commences consideration of the petition or later than seven (7) days after filing, whichever occurs first.

4. That when this petition has been filed with the City Clerk and it has been certified that the signatures thereon are according to the records of the Register of Deeds of Sedgwick County, Kansas, the petition may be found sufficient if signed by either (a) both a majority of owners of record, and the owners of record of more than half the area liable for assessments outside the corporate limits of the City of Wichita, Kansas, and also (b) either (I) a majority of the resident owners of record or (II) the resident owners of record of more than one-half of the area liable for assessment within the corporate limits of the City of Wichita, Kansas, or (III) the owners of record (whether resident or not) of more than one-half the area liable for assessment within the corporate limits of the City of Wichita, Kansas.

Petitions for projects which are partially within the corporate limits of Wichita shall be commenced only upon a petition found sufficient by the provisions of K.S.A. 12-6a04, except that for the purpose of determining the sufficiency of the signatures to such petitions, only that area which is outside the corporate limits of Wichita shall be considered to constitute the proposed improvement district.

5. The owners of land covered hereunder outside the corporate limits of Wichita do hereby petition, consent to and request annexation of such lands by The City at such time as it determines appropriate (as contemplated in K.S.A. 12-519 et. Seq.). Until such time as the annexation occurs, the owners covenant and agree they will not seek incorporation as a separate city nor annexation to any other city, land or any part thereof. The Governing Body is requested to proceed in the manner provided by statute to the end that the petitioned improvements may be expeditiously completed and placed in use.

WITNESS our signatures attached with respect to each of which is indicated the property owned and the date of signing.
