Surveyor

Know all men by these presents that we, the undersigned, have caused the land described in the surveyors certificate to be platted into a Lot, Block Reserve and Streets to be known as "WINDRIDGE ESTATES SECOND ADDITION", Sedgwick County, Kansas. The Streets are hereby dedicated to and for the use of the public. The drainage and utility easements are hereby granted as indicated for the construction and maintenance of all public utilities and for drainage purposes. Reserve "A" is hereby reserved for floodway easement and shall be owned and maintained by the owner of Lot 1, Block A, until such time as the governing body exercising jurisdiction elects to assume the responsibility for the maintenance and improvement of the drainage. Provided further, that no building shall be constructed on or within said floodway easement nor shall any fill, change of grade, creation of channel or other work be carried on without the permission of the appropriate governing body. With such permission of said appropriate governing body, additional improvements and/or activities may be permitted within said floodway easement such as landscaping, water features, paths, pedestrian crossings and recreational facilities. A drainage plan has been developed for this plat and all drainage easements and rights-of-way shall remain at established grades or modified with the approval of the Engineer of the appropriate governing body, and unobstructed to allow for the conveyance of stormwater. Access control is hereby granted as indicated on the face of the plat. Minimum Pad elevations for lowest opening into structures are as shown on the face of the plat. The contingent public access easement is hereby granted as indicated contingent upon the need to join similar easements extending northwesterly and southeasterly from this property in conjunction with a bike path paving project.
