Armstrong Land Survey, P.A.

Date: 7-14-2010

Know all men by these presents that we, the undersigned, have caused the land described in the surveyors certificate to be platted into a Lot, Block, Street and Floodway Reserve to be known as "YSIDRO 2ND ADDITION", Wichita, Sedgwick County, Kansas. The street is hereby dedicated to and for the use of the public. The utility and drainage easements are hereby granted as indicated for the construction and maintenance of all public utilities and for drainage purposes. Access controls are hereby granted to the appropriate governing body as indicated on the face of the plat. A drainage plan has been developed for this plat and all drainage easements and rights-of-way shall remain at established grades or modified with the approval of the Engineer of the appropriate governing body, and unobstructed to allow for the conveyance of stormwater. The contingent dedication of right-of-way shall become effective upon removal of the existing building. The Floodway Reserve is hereby reserved for floodway purposes. The Floodway reserve shall be the responsibility of the owner of "YSIDRO 2ND ADDITION", until such time as the governing body exercising jurisdiction elects to assume maintenance responsibility and improvement of the drainage; provided further that no structure shall be constructed on or within said Floodway, nor shall any fill, change of grade, creation of channel or other work be carried on without the permission of the Engineer of the appropriate governing body.
