COMMERCIAL
GENERAL PROVISIONS
1. This portion of the Planned Development is proposed to contain:
26.14 Gross Acres
22.84 Net Acres

2. Curb Cuts - The maximum number of commercial curb cuts to Meridian Avenue shall not exceed five (5); one (1) for parcel seven (7) and two each for parcels eight (8) and nine (9). A minimum of one (1) curb cut on Meridian Avenue into parcels eight (8) and nine (9), shall be constructed to major driveway requirements.

3. All utilities shall be installed underground.

4. At the time of platting, a drainage plan will be submitted for approval for the entire area.

5. Minimum building setbacks as indicated on the plan, or under parcel descriptions.

6. Planting screens, as indicated on the plan, shall be provided and maintained of low shrubbery and trees not less than ten (10) feet in width and shall be of such a type, and maintained in such a manner, that it minimizes any nuisance of the commercial area to the adjacent residential areas. A Landscape Plan, prepared by a Landscape Architect, for the planting screens, indicating the location, type, and specifications of plant materials, shall be submitted to the Planning Department for their review and approval prior to the issuance of any building permit(s) on parcels six (6), seven (7), eight (8), nine (9) and fifteen (15).

Failure to properly maintain the ten (10) foot planting strips shall be considered a violation of the C.U.P., after a joint determination by the Director of Planning and the Superintendent of Central Inspection that the planting strips are not properly maintained.

A five (5) to eight (8) foot solid or semi-solid wall constructed of stone, masonry, architectural tile or other similar material, (Excluding wood and woven wire), shall be constructed between parcels three (3) and six (6), as indicated on the plan, and shall be substituted for the planting screen within parcels six (6), seven (7), and eight (8), where the storage area, service area, or rear of the building(s) face directly into a residential district. (See Administrative Adjustment dated 8/26/91 for Parcel 9.) A six (6) to eight (8) foot solid screening wall per Section III-C of Unified Zoning Code or a solid evergreen screen shall be provided when parcel fifteen (15) abuts residential zoning districts.

No wall shall be constructed in any utility easement.

7. A fire lane, hard surfaced and twenty-four (24) feet minimum in width, shall be provided around all main structures constructed within parcels eight (8) and nine (9). Said fire lane shall be constructed with a minimum of 3-1/2 inch asphalt base with 1-1/2 inch asphalt surface. No parking shall be allowed in said fire lane, although it may be used for passenger loading and unloading.
Prior to final approval of the parking plan, the Fire Chief, or his designated representative, shall approve the plan as to the location and design of the fire lane(s).

8. Signs for parcels six (6), seven (7), eight (8), nine (9), and fifteen (15) as permitted by the Zoning District. Signs for parcels seven (7), eight (8), nine (9), and fifteen (15) shall be oriented to Meridian Avenue rather than to the proposed residential areas.

9. Parking ratio for parcels six (6), seven (7), eight (8), nine (9), and fifteen (15) shall be in accordance with Section IV of the Unified Zoning Code of the City of Wichita.

10. At the time of platting, the applicant shall guarantee the installation of acceleration-deceleration lanes and major driveway approaches along Meridian Avenue.

11. Prior to the issuance of building permits on Parcels 7 and 8, a traffic plan, locating proposed buildings, parking and circulation isles shall be submitted to the Planning Department for submission to the City Commission for approval.
