OWNER'S CERTIFICATE

Know all men by these presents that we the undersigned property owners of the land above set forth in the Registered Land Surveyor's Certificate, have caused the same to be surveyed and platted into a Lot, a Block, and a Reserve, the same to be known as "QUIKTRIP 15TH ADDITION" an addition to Wichita, Sedgwick County, Kansas.

The streets are hereby dedicated to and for the use of the public.

Easements for the construction and maintenance of sanitary sewer and utilities, as indicated hereon, are hereby granted to the public.

The public access easement is platted for vehicular traffic and emergency access, and is hereby granted to and for the use of the public. The public access easement shall be automatically dedicated to the City as a public alley only if, at any time after redevelopment of Lot 1, Block 1, QuikTrip 15th Addition is complete, paved access is not provided within the public access easement. In such case, the automatic dedication as a public alley shall be effective and complete upon the filing of record a written certificate by the City evidencing the occurrence and its acceptance of such dedication. The public access easement/public alley shall at no time be blocked, restricted, or interfered with in any way, except that the same may, from time to time, be temporarily restricted for construction, maintenance, and/or repair of the same, provided that any such temporary restriction shall not constitute an automatic dedication of the public access easement to the City as a public alleyway.

All abutters rights of access to or from Oliver Avenue over and across the east line of "QUIKTRIP 15TH ADDITION," are hereby granted to the appropriate governing body, provided however two full movement openings as indicated hereon. All abutters rights of access to or from Central Avenue over and across the south line of "QUIKTRIP 15TH ADDITION," are hereby granted to the appropriate governing body, provided however two full movement openings as indicated hereon.

A drainage plan has been developed for this plat. All drainage easements, rights-of-way, shall remain at established grades or as modified with the approval of the applicable City or County Engineer, and unobstructed to allow for the conveyance of stormwater.
