Know all men by these presents that we, the undersigned, have caused the land described in the surveyor's certificate to be platted into Lots, a Block, a Reserve and a Street, to be known as "FAWN GROVE", an Addition to Wichita, Sedgwick County, Kansas. The utility easements are hereby granted for the construction and maintenance of all public utilities. No signs, light poles, private drainage systems, masonry trash enclosures or other structures shall be located within public utility easements. The drainage easement is hereby granted to the public as indicated for drainage purposes. The drainage and utility easements are hereby granted as indicated for drainage purposes and for the construction and maintenance of all public utilities. The street, sidewalk, drainage and utility easements are hereby granted as indicated for street, sidewalk and drainage purposes and for the construction and maintenance of all public utilities. The wall easement is hereby granted to the Home Owners Association as indicated for the construction and maintenance of a wall. Utilities and services are allowed to cross the wall easements. Access Controls as indicated are hereby granted to the appropriate governing body. The street is hereby dedicated to and for the use of the public. Reserve "A" is hereby reserved for irrigation, walls, signage, walks, lighting, landscaping, berms, lakes, drainage, drainage structures, and utilities confined to easements. The Reserve is to be owned and maintained by the Home Owners Association for the addition. FEMA floodplain and regulatory floodway boundaries are subject to periodic change and such change may affect the intended land use within the subdivision. Minimum Pad Elevations for lowest openings are as noted on the plat below. A drainage plan has been developed for this plat and all drainage easements, rights-of-way, or reserves shall remain at established grades, or as modified with the approval of the City Engineer, and unobstructed to allow for the conveyance of stormwater.
