All public easements and dedications are hereby vacated by virtue of K.S.A. 12-512b, as amended.

Know all men by these presents that we, the undersigned, have caused the land described in the surveyor's certificate to be platted into Lots, Blocks, Reserves and Streets, to be known as "AREA 151", Wichita, Sedgwick County, Kansas. The utility easements are hereby granted to the public as indicated for the construction and maintenance of all public utilities. The drainage easements are hereby granted to the public as indicated for drainage purposes. The drainage & utility easements are hereby granted to the public as indicated for drainage purposes and for the construction and maintenance of all public utilities. The sewer easements are hereby granted to the public as indicated for the construction and maintenance of all sewer facilities. The Access Easements are hereby granted to the Homeowners Association for the construction and maintenance of pedestrian paths for use of the residents. No sign, light poles, private drainage systems, berms, walls masonry trash enclosures or other structures shall be located within public utility easements unless permitted by the City of Wichita Department of Engineering and that they do not inhibit the conveyance of surface drainage. The fire apparatus access road surface, gating apparatus and sign installation shall meet the minimum standards for a Fire Apparatus Access Road required by the City of Wichita Fire Department. The Developer shall be responsible for the installation of the surface, gating apparatus and sign within the fire apparatus access road. The Lot Owners Association shall be responsible for the continued maintenance of the fire apparatus access road. The City of Wichita is hereby granted the right to enter upon such premises at any time for the purposes of constructing, maintaining, and repairing such fire apparatus access road. No private drainage systems shall be located within public drainage easements unless a Residential Drainage Relief Permit is obtained from the City of Wichita Public Works & Utilities Department. Access Controls as indicated are hereby granted to the appropriate governing body. The Temporary Access Controls will each convert to one opening upon the paving of the adjoining North 151st Street West. The streets are hereby dedicated to and for the use of the public. No obstructions shall be constructed or placed within street stubs providing future access to adjacent properties. The Temporary turnaround easements on Kristina St, Cody Ln and Reese St are hereby granted for the use of the public, and will expire upon extension of the streets beyond the limits of this plat. Reserve "A" and "D" are hereby reserved for irrigation, walls, signage, walks, lighting, landscaping, berms, lakes, drainage, drainage structures, and utilities confined to easements. Reserve "B" is hereby reserved for irrigation, signage, landscaping, lighting, park improvements, a club house, swimming pool, walks, drainage, and utilities confined to easements. Reserve "C" is hereby reserved for landscaping, drainage and utilities. Reserve "E" is hereby reserved for irrigation, landscaping, walks and sanitary sewer improvements. Reserve "F" is hereby reserved for irrigation, signage, entry features, landscaping, and utilities confined to easements. The Reserves are to be owned and maintained by the Home Owners Association for the addition, their successors and/or assigns. No regrading within abutting rights-of-way shall be allowed with the construction of the berms allowed within Reserves A and D. The berms cannot impact access to or bury manholes, water valves and/or water meters. Minimum Pad Elevations for lowest openings are as shown on the accompanying table. A master drainage plan has been developed for this plat. All drainage easements, rights of way and reserves shall remain at established grades (unless modified with the approval of the City Engineer) and shall be unobstructed to allow for the conveyance of stormwater in accordance with the Stormwater Manual. FEMA floodplain and regulatory floodway boundaries are subject to periodic change, and such change may affect the intended land use within the subdivision. The maintenance of all drainageways and drainage facilities in backyard easements and reserves shall be the responsibility of the property owner, and shall be enforced by the Homeowners' Association and be provided for in the Homeowners' Association covenants. Compliance with any platted restrictions and applicable restrictive covenants affecting said Reserves shall be binding on any owners, successors, heirs or assigns.

We the undersigned, holders of a mortgage on a portion of the above described property, do hereby consent to this plat of "AREA 151", Wichita, Sedgwick County, Kansas.
