

GENERAL NOTES

The residential lots in this plat will drain as indicated to the streets. The cul-de-sacs will discharge runoff storm water thru the storm sewers to be placed in each cul-de-sac and will drain into part of the channel and pond improvements already installed by Storm Water Drain No. 49 as indicated. Curb Grades and pipe sizes will be calculated for the final drainage plan at the time of the final plat submittal.

**PRELIMINARY PLAT
ECK 3RD ADDITION**

A TRACT IN THE N.W. 1/4 T-27-1W
