☑ REVIEWED ☐ REVIEWED AS NOTED

☐ REJECTED ☐ REVISE & RESUBMIT

This review is only for general conformance with the design concept and the information given in the Construction Documents. Corrections or comments made on the shop drawings and submittals during this review do not relieve the contractor from compliance with the requirements of the plans and specifications and applicable laws, codes and regulations. Review of a specific item shall not include review of an assembly of which the item is a component. The contractor is responsible for: dimensions to be confirmed and correlated at the jobsite; information that pertains solely to the fabrication processes or to the means, methods, techniques, sequences and procedures of construction; coordination of the Work with that of all other trades and performing all Work in a safe and satisfactory manner.
