Subject: new route for Clayton Homes to Hydraulic Ave

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Good morning, we sent a pilot driver up a day early and found a route to avoid any construction getting houses to Hydraulic Ave.

For whatever reason, the printer did not print clearly so I'll give you the route here as well.

From Exit 1A (S Broadway) Turn right onto E 47th st, left onto US-81, Left onto E 63rd st, left onto S hydraulic Ave. The destination will be on the right.

It looks like this route is all 4 lane and will avoid any construction.

I have also included a picture from google maps.

Thank you
