CASE NUMBER: ZON2017-00013

APPLICANT Jacob Management Company, LLC

REQUEST: TF-3 Two-family Residential

CURRENT ZONING: SF-5 Single-family Residential

SITE SIZE: 0.16 acre

LOCATION: The east side of North Baehr Street, approximately 90 feet north of West Newell Street (620 North Baehr)

PROPOSED USE: Two-family home

a single-family home zoned SF-5. East of the property is a single-family home zoned SF-5. West of the site is a single-family home zoned SF-5.

2. The suitability of the subject property for the uses to which it has been restricted: The site is currently zoned SF-5, which primarily allows single-family residences. The lot being considered for rezoning could be improved with a new single family home with the existing zoning.
3. Extent to which removal of the restrictions will detrimentally affect nearby property: Approval of TF-3 zoning would allow a new two family home with to be constructed on the property. Approval of the request should not detrimentally impact nearby property owners.
4. Length of time the property has remained vacant as currently zoned: The property is currently vacant.
5. Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies: The Community Investment Plan depicts the subject site as appropriate for “residential uses.” The residential use category encompasses areas that reflect the full diversity of residential development densities and types found in a large urban municipality. The site is also in the Established Central Area (ECA) where infill housing is encouraged with the Wichita Urban Infill Strategy.
6. Impact of the proposed development on community facilities: Existing municipal facilities are in place or can be extended to serve the application area.
