STAFF REPORT

CASE NUMBER: VAC2005-00035 Request to vacate a portion of platted street right-of-way (ROW) and platted setback

APPLICANTS/AGENT: 119th & Kellogg Associates, c/o Grant Tidemann
Baughman Company, PA, c/o Phil Meyer

LEGAL DESCRIPTION: Generally described as that portion of the Harry Drive ROW as dedicated on the Wheatridge Addition, that abuts the south sides of Lots 6 & 7, and a southwest portion of Lot 5, all in Block 2, all in the Wheatridge Addition, Wichita, Sedgwick County, Kansas

LOCATION: Generally located north of US Highway-54/Kellogg Avenue, between 119th Street West and Hornecker Drive (Council District V)

REASON FOR REQUEST: Revert to private property

CURRENT ZONING: The site is public right-of-way. The abutting properties are zoned "GC" General Commercial. US Highway-54/Kellogg Avenue is south of the site

VICINITY MAP:

The applicant is requesting vacation of the eastern 320-foot long (x) 50-foot wide, portion of Harry Drive ROW. From the proposed vacated portion, there is another 759.3-feet of Harry Drive that continues west to Hornecker Street. Hornecker Street immediately intersects, south, with US-54/Kellogg Avenue. The proposed vacated eastern portion of Harry Drive dead ends 80-feet deep into Lot 5, Block 2, the Wheatridge Addition. This abrupt ending of Harry Drive in Lot 5 leaves it approximately 470.07-feet short of intersecting with 119th Street West; see the exhibit of the recorded Wheatridge Addition. There is a platted 35-foot setback that runs parallel to the proposed vacated ROW on Lots 5, 6, & 7, Block 2, Wheatridge Addition. There are no water, sewer or other utilities in the proposed vacated portion of ROW. The Wheatridge Addition was recorded with the Register of Deeds April 8, 1968.

Based upon information available prior to the public hearings and reserving the right to make recommendations based on subsequent comments from City Public Works, franchised utility representatives and other interested parties, Planning Staff recommends approval to vacate the portion of the Harry Drive ROW and platted setback, as described with conditions.

- A. That after being duly and fully informed as to fully understand the true nature of this petition and the propriety of granting the same, the MAPC makes the following findings:
1. That due and legal notice has been given by publication as required by law, in the Wichita Eagle, of notice of this vacation proceeding one time September 29, 2005 which was at least 20 days prior to this public hearing.
 2. That no private rights will be injured or endangered by the vacation of the above-described portion of platted street ROW and platted setback and the public will suffer no loss or inconvenience thereby.
 3. In justice to the petitioner, the prayer of the petition ought to be granted.

Therefore, the vacation of the portion of the platted Harry Drive ROW and platted setback described in the petition should be approved with conditions;

- (1) Provide staff with a restrictive covenant tying and binding Lots 6 & 7, Block 2, all in the Wheatridge Addition, and to the abutting vacated portion of the platted Harry Drive ROW. Access to Lots 6 & 7, Block 2, will be from Lot 5, Block 2, all in the Wheatridge Addition. Provide staff with a restrictive covenant tying and binding Lot 5, Block 2, the Wheatridge Addition to the abutting vacated portion of the platted Harry Drive ROW
- (2) Retain platted access control along the south sides of Lots 5, 6 & 7, Block 2, all in the Wheatridge Addition.
- (3) Vacate the platted 35-foot setback on the south sides of Lots 5, 6 & 7, Block 2, all in the Wheatridge Addition, where they abut the vacated portion of Harry Drive. Replace with another 35-foot setback that runs parallel to the new south lot lines of those lots, as created by the vacation of the Harry Drive ROW.

- (4) Any relocation or reconstruction of utilities made necessary by this vacation shall be the responsibility and at the expense of the applicants.
- (5) Dedicate additional utility easement to extend the platted easements that run parallel to the west side of Lot 7, and in between Lots 5 & 6, all in Block 2, all in the Wheatridge Addition.
- (6) All improvements shall be according to City Standards.
- (7) All conditions to be completed within 6 months of approval by the MAPC or the vacation request will be considered null and void. All vacation request are not complete until the Wichita City Council or the Sedgwick County Board of County Commissioners have taken final action on the request and the vacation order and all required documents have been provided to the City, County or franchised utilities and recorded with the Register of Deeds.

SUBDIVISION COMMITTEE'S RECOMMENDED ACTION:

- (1) Provide staff with a restrictive covenant tying and binding Lots 6 & 7, Block 2, all in the Wheatridge Addition, and to the abutting vacated portion of the platted Harry Drive ROW. Access to Lots 6 & 7, Block 2, will be from Lot 5, Block 2, all in the Wheatridge Addition.
