Agenda Report No. _____

TO: Mayor and City Council

SUBJECT: ZON2007-00002 – Zone change request from “LI” Limited Industrial to “SF-5” Single-family Residential zoning for residential. Generally located east of Ridge Road and south of 29th Street North. (District V)

INITIATED BY: Metropolitan Area Planning Department *JLS*

AGENDA: Planning (Consent)

MAPC Recommendations: Approve (12-0).

MAPD Staff Recommendations: Approve.

DAB Recommendations: DAB V did not review.

Background: The applicant is requesting that the 1.8 acre site currently zoned “LI” Limited Industrial be rezoned to “SF-5” Single-family Residential. The site is located east of the intersection of Ridge Road and Reflection Road and is part of the Mere Ridge Addition plat. The Mere Ridge Addition was approved by the MAPC in 1988. The remainder of the Mere Ridge Addition is currently zoned SF-5 or LI. The subject property is vacant.

The surrounding area consists of urban residential development, with a covenant community directly across Ridge Road, just west of the subject site. The site is located midway between 21st Street North and 29th Street North on Ridge Road. The area west of Ridge Road (and west of the site) is the Reflection Ridge community, zoned SF-5, north of the site is LI zoned vacant land, south of the site is SF-5 zoned land developed with single family residences and east of the site is LI zoned property primarily occupied by a lake. The applicant is filing this request for a SF-5 rezone for the proposed development of a single-family residence.

Analysis: At the MAPC hearing on March 1, 2007, there were no speakers in opposition to the request. The MAPC voted (12-0) to recommended approval of the request.

Financial Considerations: None.

Goal Impact: Promote economic vitality.

Legal Considerations: The ordinance has been reviewed and approved as to form by the Law Department.

Recommendation/Actions:

1. Concur with the findings of the MAPC and approve the first reading of the ordinance establishing the zone change; or
2. Return the application to the MAPC for reconsideration

(An override of the Planning Commission's recommendation requires a two-third majority vote of the City Council on the first hearing.)
