Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: Z-2888 - ZONE CHANGE FROM "AA" ONE-FAMILY DWELLING
DISTRICT TO "LC" LIGHT COMMERCIAL DISTRICT, LOCATED
ON THE SOUTH SIDE OF 26TH STREET NORTH IN AN AREA
EAST OF AMIDON. (District 5)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

MAPC Recommendation: Approve subject to replatting the application area together with the west portion of Lot 28 into one lot within one year in order to obtain appropriate building setbacks and access controls and to address the issue of paving 26th Street. (8-0)

Staff Recommendation: Approve subject to replatting the application area together with the west portion of Lot 28 into one lot within one year in order to obtain appropriate building setbacks and access controls and to address the issue of paving 26th Street.

CPO Recommendation: Council "5B" recommends approval (8-0).

Background: On December 21, 1987, the MAPC held a public hearing to consider a zone change from "AA" to "LC" for the east portion of a platted lot located at the southeast corner of Amidon and 26th Street North. The west portion of the lot is zoned "LC" and used to be developed with a service station, even prior to annexation in 1962. If "LC" is also granted for the east portion, the contract purchaser has stated he intends to buy the entire lot for purposes of constructing a self-service car wash. This use would require Board of Zoning Appeals approval. The application area by itself is not a buildable site as only the west 100 feet received lot split approval in 1969. At that time a house occupied this application area. A strip commercial center and service station are located to the north across 26th Street which is unpaved. No one spoke in opposition to the application and the Planning Commission unanimously recommended approval subject to replatting.

Recommendations/Actions:

1. Concur with the findings of the MAPC and approve the zone change subject to the condition of platting; instruct the Planning Department to forward the ordinance for first reading when the plat is forwarded to the City Council; or
2. Return the application to the MAPC for reconsideration stating reasons.
