Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: Z-2965 - ZONE CHANGE FROM "B" MULTIPLE-FAMILY DWELLING DISTRICT TO "BB" OFFICE DISTRICT, LOCATED ON THE EAST SIDE OF RUTAN BETWEEN VICTOR AND 1ST STREET. (District #2)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

MAPC Recommendation: Approve (8-0).

Staff Recommendation: Approve.

CPO Recommendation: Council "2A" recommends approval (8-0).

Background: On September 28, 1989, the MAPC held a public hearing to consider a zone change request from the "B" Multiple-Family Dwelling District to the "BB" Office District for a .3-acre site located on the east side of Rutan between Victor and 1st Street. The application area involves four platted lots. The two southernmost lots are currently developed with a single-family residential dwelling. The two northernmost lots are developed with a parking lot established prior to June 21, 1988. Prior to that date, parking lots were an outright permitted use in the "B" district if adjacent to an office, commercial or industrial zoning district.

This application has been filed in order to permit the construction of a parking lot over the entire application area. Section 28.04.145 of the City Zoning Ordinance provides for off-street parking exceptions in any zoning district provided BZA approval is obtained. However, paragraph 3.5 of this section states that when a parking lot is located in a dwelling district, the parking lot shall not be located within a front yard setback. The front yard setback required in the "B" Multiple-Family Dwelling District is 20 feet. The applicant has chosen not to pursue a BZA parking exception, since they want to park within the west 20 feet of the application area.

Recommendations/Actions:

Concur with the findings of the MAPC and approve the zone change; place the ordinance establishing the zone change on first reading.
