REQUEST: OW Office Warehouse

CURRENT ZONING: LC Limited Commercial

SITE SIZE: 0.52 acre

LOCATION: One-half mile north of the intersection of West 31st Street South and South Meridian Avenue on the west side of South Meridian

PROPOSED USE: Construction sales and service

the request would allow the re-use of the existing building for construction sales and service and provide economic opportunity in the area.

4. Relative gain to the public health, safety and welfare as compared to the loss in value or the hardship imposed upon the applicant: Approval will allow the existing building to be used for construction sales and service. Denial would represent a loss of economic opportunity to the applicant or property owner.
5. Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies: The adopted Wichita-Sedgwick County Comprehensive Plan, the *Community Investments Plan*, identifies the site as within the Established Central Area and is included in the Urban Infill Plan *Wichita: Places for People*. The area is located along a strip corridor on the west side of South Meridian Avenue between two commercial nodes located on South Meridian Avenue at West Pawnee Avenue and West 31st Street South. The Plan's 2035 *Wichita Future Growth Concept Map* identifies this location as "residential and employment mix," encompassing areas that likely will be developed or redeveloped by 2035 with uses predominately of a mixed nature.
6. Impact of the proposed development on community facilities: Approval of the request should generate no additional impacts on community facilities. Existing public infrastructure at the site will accommodate uses under the proposed OW zoning.
