Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: 2-2991 - ZONE CHANGE FROM THE "BB" OFFICE DISTRICT TO THE "E" LIGHT INDUSTRIAL DISTRICT, LOCATED ON ESTHNER COURT, WEST OF MERIDIAN, IN AN AREA SOUTH OF HARRY. (District #4)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

MAPC Recommendation: Approve (7-0).

Staff Recommendation: Approve.

CPO Recommendation: CPO Council "4A" recommends approval (8-0).

Background: On May 10, 1990, the MAPC held a public hearing to consider a zone change request from the "BB" Office District to the "E" Light Industrial District for a portion of a platted lot located on Esthner Court, west of Meridian, in an area south of Harry. The application area measures approximately .3 acre and was platted in 1975.

The lot that this application area is part of was approved for a lot split in 1986. The purpose of this zoning case is to gain additional "E" zoning and thereby allow expansion of an existing industrial building onto the application area.

The original intent of the "BB" zoning at this and adjacent locations was to provide a transition zone between the industrial to the east and the residential to the west. Deletion of this small portion of the transition buffer should have no adverse effect on the residential properties, however, since more than 150 feet of "BB" would still remain to buffer the residential properties.

RECOMMENDATIONS/ACTIONS:

1. Concur with the findings of the MAPC and approve the zone change; place the ordinance establishing the zone change on first reading; or
2. Return the application to the MAPC for reconsideration, stating reasons.
