

Planning Agenda Item # _____

City of Wichita
City Council Meeting
April 5, 1994

Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: Z-3122 - ZONE CHANGE FROM THE "B" MULTIPLE FAMILY DWELLING DISTRICT AND THE "E" LIGHT INDUSTRIAL DISTRICT TO THE "A" TWO-FAMILY DWELLING DISTRICT, LOCATED AT 29TH STREET NORTH AND FAIRVIEW.

(District #6)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

MAPC Recommendation: Approve, subject to platting (12-0 - 1 abstention).

Staff Recommendation: Approve.

CPO Recommendation: CPO North Central Neighborhood Council "6" voted 6-2 to recommend approval of the request.

Background: On March 10, 1994, the MAPC considered a zone change from the "B" Multiple Family Dwelling District and the "E" Light Industrial District to the "A" Two-Family Dwelling District for 10.7 acres generally located southwest of 29th Street North and Fairview. The south half of the application area is platted as the McBride Addition and is undeveloped. The north half of the application is not platted and mostly undeveloped. Three single family homes not included in the application area are located near the intersection of 29th Street North and Fairview.

The applicant is requesting "A" Two-Family Dwelling District to allow the development of one-family housing on lots less than 6,000 square feet. The applicant has not submitted a plat at this time.

In 1992, the City Council approved the expenditure of \$125,000 from CDBG funds for paving Fairview south of 29th Street North and for extending sewer lines to this site. City Engineering indicates that the Fairview paving project will proceed after a plat is approved for this site.

Recommendations/Actions:

1. Concur with the findings of the MAPC and approve the zone change, subject to the condition of platting; instruct the Planning Department to forward the ordinance for first reading when the plat is forwarded to the City Council; or
2. Return the application to the MAPC for reconsideration.

(An override of the Planning Commission's recommendation requires a 2/3rd majority vote of the membership of the governing body on first reading).
