- The Transfer of title of all or any portion of land included within the Planned Unit Development (or any amendments thereto) does not constitute a termination of the plan or any portion thereof, but said plan shall run with the land and be binding upon present owners, their successors and assigns.
- The development of this property shall proceed in accordance with the development plan as recommended for approval by the Planning Commission and approved by the Governing Body, and any substantial deviation of the plan, as determined by the Zoning Administrator or the

Director of Planning, shall constitute a violation of the building permit authorizing construction of the proposed development.

- Any major changes in this development plan shall be submitted to the Planning Commission and to the Governing Body for their consideration.
- Prior to publishing the resolution establishing the zone change, the applicant(s) shall record a document with the Register of Deeds indicating this tract (referenced as P.U.D. #81) includes special conditions for development on this property.

Dear Applicants:

We received and reviewed your request for an Administrative Adjustment to PUD #81, to alter parcel boundaries and area calculations to reflect the plat of R.F. 2nd Addition. All General Provisions of the PUD are remaining the same. The Legal Description as well as the portion of Parcel 1 included in the R.F. 2nd Addition plat have been altered to reflect the plat.

On the basis of our review, we find that adjusting PUD #81 in the manner stated in the above paragraph is consistent with the approved PUD and will not have an adverse effect on the PUD or adjacent properties, nor will it be a substantial deviation of the original plan.

Our signatures below indicate that the PUD shall be adjusted as stated in this letter. This PUD adjustment shall not be deemed to alter any other provisions of the PUD except as expressly stated herein.

The “Development Application” sign should now be removed from the property. **Please submit four (4) copies of the revised PUD drawing within 60 days in order for this adjustment to be considered final.**

2. All lots shall be subject to the property development standards of the "SF-5" Single-Family Residential zoning district, unless otherwise indicated on the P.U.D. 3. Signs shall be in accordance with the "SF-5" Single-Family Residential zoning district.
4. Uses in Parcel 1 shall be limited to those permitted by-right in the "SF-5" Single-Family Residential zoning district, with the addition of one accessory apartment per residential lot. Accessory Apartments shall be subject to the following standards:

The property owner(s) of a platted lot(s) in a parcel may file to amend or adjust the P.U.D. general provisions as they relate to their lot(s) within the P.U.D. without the requirement that owners of other lots in the parcel join in the application.
7. The Transfer of title of all or any portion of land included within the Planned Unit Development (or any amendments thereto) does not constitute a termination of the plan or any portion thereof, but said plan shall run with the land and be binding upon present owners, their successors and assigns.
8. The development of this property shall proceed in accordance with the development plan as recommended for approval by the Planning Commission and approved by the Governing Body, and any substantial deviation of the plan, as determined by the Zoning Administrator or the Director of Planning, shall constitute a violation of the building permit authorizing construction of the proposed development.
9. Any major changes in this development plan shall be submitted to the Planning Commission and to the Governing Body for their consideration.
10. Prior to publishing the resolution establishing the zone change, the applicant(s) shall record a document with the Register of Deeds indicating this tract (referenced as P.U.D. #13) includes special conditions for development on this property.
