CONDITIONAL USE RESOLUTION NO. CON2021-00057

WHEREAS, In & Out Properties, LLC, Owner, pursuant to Section V-D of the Wichita-Sedgwick County Unified Zoning Code (herein referred to as Unified Zoning Code), request a Conditional Use to allow Vehicle and Equipment Sales on property zoned LC Limited Commercial located at 3060 South Hillside Avenue, legally described as:

Lot 50, Block C, Plainview Subdivision No. 2, Wichita, Sedgwick County, Kansas.

WHEREAS, proper notice as required by the Unified Zoning Code and by the policy of the Metropolitan Area Planning Commission (hereinafter referred to as MAPC) has been given; and

WHEREAS, the MAPC did, at the meeting of December 16, 2021, consider said application; and

WHEREAS, the MAPC has authority to permit a Conditional Use, subject to any special conditions deemed appropriate in order to assure full compliance with the criteria of the Unified Zoning Code.

NOW, THEREFORE, BE IT RESOLVED by the Metropolitan Area Planning Commission that this application be approved to allow a Conditional Use for Vehicle and Equipment Sales on property zoned LC Limited Commercial located at 3060 South Hillside Avenue, legally described as:

Lot 50, Block C, Plainview Subdivision No. 2, Wichita, Sedgwick County, Kansas.

Approved subject to the following conditions:

1. The Conditional Use shall be limited to the sales of cars and pick-up (light) trucks. No sale or rental of trailers, boats, motorcycles/scooters, recreational vehicles or trucks larger than pick-ups are permitted. All conditions of the Unified Zoning Code, Section III-D.6.x, outdoor vehicle and equipment sales shall be in effect.
2. Because the UZC's definition of "vehicle repair limited" does not allow the outside repair or maintenance services of vehicles, none shall be conducted outside of the existing structure on the site.
3. UZC. Art. II, Sec.II-B.14.i. No outside storage of salvaged vehicles or vehicles waiting for repair shall be permitted in association with this use. No outside storage of parts, including tires, oil containers or any similar type of receptacles for new or used petroleum products.
4. All improvements to the property must be finished before car sales is permitted. Those improvements shall include, but not limited to, clearly marked customer and employee parking and the display area.
5. The applicant shall submit a scaled revised site plan for review and approval by the Planning Director, prior to the selling of any cars or light trucks. The site plan will include, but not be limited to, internal circulation that will remain open during hours of operation to allow access, area designated for display of cars, customer and employee parking, any existing or proposed signs, existing or proposed lighting. The site will be developed according to the revised site plan.
6. The selling of vehicles is subject to the supplemental use regulations of UZC Section III D. 6. X. pertaining to Vehicle and Equipment Sales in the LC zoning district.
7. A conditional use amendment shall be required for any changes to these conditions.
8. Off-street parking spaces shall be provided in accordance with Article IV, Sec. IV-A of the UZC. No vehicles

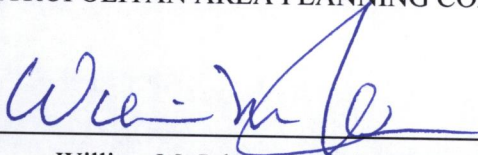

for sale shall be displayed in required off-street parking spaces. No parking is allowed on unpaved surfaces on the lot.

9. The site shall be developed and operated in compliance with all federal, state, and local rules and regulations.
10. If the Zoning Administrator finds that there is a violation of any of the conditions of the conditional use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII of the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the conditional use is null and void.

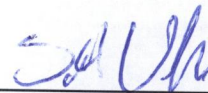

Adopted this 20th Day of January 2022.
